Studio Sale Catalogue April 2023

[@olivesalchemistry](#) | [oliviamansfield.com](#) | [info@oliviamansfield.com](#)

Thank you for requesting a catalogue for my Spring studio sale.

This started out as 'small works' but due to the fact that I will be moving studios (and home) pretty soon, I've decided to include a selection of other paintings which need to find new homes too. To ensure this is an affordable art sale, prices range between £45 and £120.

If you see something you like, please [email me](#) and reference the number next to the piece(s) you are interested in. All items include free shipping within the UK, but international shipping prices can be calculated on request.

This sale, including these discounted prices, will run for 4 weeks **until 19th May 2023**.

I hope you enjoy looking through the work and don't hesitate to drop me message with any queries you may have.

Love and blessings,
Olivia
